This powerful
battery-operated
blender can produce

10-12 cups per

charge. Simply
charge via USB port
2-3 hours before
initial use, then add
your ingredients and
power-on for a tasty
smoothie or shake in
90 seconds.

Single-button
operation makes this
portable blender
quick and easy to
use. Built-in safety
features prevent
overheating and also
ensure that the unit
will not operate if
components are
improperly
assembled.

Durable and built
to last.

Goes wherever
you go.
